ABOUT JUSTIN

Metzler is a 28-year-old Ironman and 70.3 professional triathlete from the USA. Justin has deep triathlon experience doing his first race at the age of 13 in 2009. Metzler progressed through the ranks and quickly established himself as one of the premier long-distance racers in the United States.

Metzler wasted no time making a name for himself with a breakout 2014 season earning him the USA Triathlon rookie of the year. He continued to hone his craft, racing around the globe in search of experience and development. In the process, he gathered 30+ top-5 finishes. 2021 marked a career season for Justin where he had his first Ironman podium finish and qualified for the Ironman World Championship in course record time.

Justin is known for his consistency and passion on and off the racecourse. Triathlon is not only a profession for Metzler, it is a way of life that he has been enthusiastically pursuing for over a decade (and now alongside his wife, fellow professional triathlete Jeanni Metzler)
